REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the record is clear on why independent claims 1 and 17 have been allowed. With regard to new claim 18, the prior art fails to disclose a finger ring with a plurality of center stones held in place on the ring with a first and second bracket between the first and second annular semi-precious stones. The prior art also fails to disclose the outer surface of a cylindrical brace frictionally engaging the annular semi-precious stones in order to hold the brackets and annular stones together to form the finger ring.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
